

## Robert D. Martinez Senior Analyst

760.518.0266

robert@londonmoeder.com

Mr. Martinez is a Senior Analyst at London Moeder Advisors. His background includes more than 20 years of comprehensive market research and analysis throughout Southern California and the Western United States. He has provided consultation, strategic recommendations, economic impact analysis and development feasibility insight into the development potential of numerous commercial and residential real estate projects including for-sale and rental housing, senior communities and the retail, office, hotel and industrial industries.

Mr. Martinez is the former Director of Research for MarketPointe Realty Advisors. He oversaw all of the research activity and product production throughout Southern California and the Sacramento Valley. He

has contributed to real estate related articles in the San Diego Union Tribune, the Sacramento Bee, the North County Times, the Voice of San Diego, the San Diego Daily Transcript and the San Diego Business Journal. He has also provided guest lectures for real estate related courses at the University of San Diego and the University of California, San Diego.

Mr. Martinez received his Bachelor of Arts in Economics from the University of San Diego and is a member of the Alpha Sigma Gamma- an International Real Estate Honorary Society, Omicron Delta Epsilon- the International Economics Honor Society and the University of San Diego Real Estate Alumni Association.
